### Camping overnight at Children's Fairyland

*Do fairies dance at midnight?*

See for yourself when you experience the magic of Fairyland in the moonlight!

At the end of the day when our park closes, we get ready to open up the gates for our overnight guests. Tents are pitched, bags are unpacked and dinner is served at the Johnny Appleseed Cafe. And when the meal is finished, the night is just beginning!

You can meander through the park, enjoying the best Fairyland has to offer. You can ride the Jolly Trolley at dusk, watch a puppet show and see a special performance. So much to do before we call 'lights out'.

After an evening camping in our Teddy Bear Picnic Area, you can crawl out of your sleeping bag to a continental breakfast.

All of this fun is included when you register for the event.  
 Book early as spaces fill up fast.
